

Student Council Seeks Home For '57 Foreign Exchange Student

Taru-Liisa Vertanen, seated at left, shows her American mother, Mrs. Alfred Much, and her American sister, Barbara Much a book about Finland. Visiting in the Much's home are left

to right, Kathy Ramey, Larry Severin, and Florence Burroughs. They are the candidates from Riley for the American Field Service summer program.

Taru has been living with the Much's

since she arrived in this country from Finland last August. The student council is now looking for a family for the foreign student for next year.

Would you be interested in the enjoyable and enlightening experience of having a foreign student live in your home for a year?

The opportunity is yours through the American Field Service foreign student program. The Riley Student Council has led the student body in the raising of \$650 needed to bring a foreign student to Riley. It is now very important to find a family for the student before the end of the month. Anyone that is interested should contact Mr. John Byers, principal, Mr. Claude Wolfram, student council advisor, or Janet Bohs, student council president.

There are four specific rules that have to be followed in choosing the family. 1. The student must live with the same family during his whole stay in the U. S. 2. The student may share a room with other children but must have his own bed. 3. Foreign born families cannot be considered. 4. Young couples should not be considered either.

There is no rule that there must be another child of the same age or sex of the student in the home. It is also not necessary to match the religious faith of the student and family.

The students generally arrive in August and spend the next year living with a family as a member of the family and sharing equally in the pleasures and duties of the home.

This year's foreign student, Taru-Liisa Vertanen, is living with the Alfred Much family. Reinhard Siska, last year's student, lived with the Charles Hruska's. Either of these families would be glad to discuss with you what it has meant to them to have a foreign student in their home.

Briefs Of The "Times"

were due last Wednesday. Report cards will be held for all students with overdue books and unpaid fines.

Morning Watch

programs have been started by the United Christian Youth Council at Riley. The first one was held yesterday in room 106 from 7:45 to 8:10. The purpose of this regular meeting is to allow those students who wish it the opportunity for a brief devotional period each week. Each may come and go as students find inspiration during this period.

Band, Orchestra

Concert next Wednesday evening, January 23, at 8:00 in the Riley auditorium. The band and the orchestra will again both play. Among the band's selections will be a number spotlighting the flute section. The orchestra will feature Judy Johnson, soprano, in one of their numbers. They will also give "contest highlights." Tickets cost 50c.

Relax after the grind of final exams and come listen to the band and orchestra concert.

Senior Plan Toward Highlight Social Event; All City Prom Jan. 25

The 1957 All City Prom, a big event in the senior social calendar, will be held Friday evening, January 25. Seniors and their guests and alumni from Adams, Central, Riley, and Washington will dance to the music of Bobby Wear and his orchestra at the Indiana Club from 9:00 to 12:00.

The responsibilities for the dance have been divided among the participating schools. Adams is in charge of publicity and Washington the invitations to the school board and other guests. Central is handling arrangements and Riley the tickets.

Tickets are \$2.00 a couple. To buy your ticket see Alice Torok 314, Susie LaBonte 308, Jeannie McCracken 301, Tom Malott 320, Jo Boxwell 216, Marie Greenwood 209, Joe Budney 112, George Friend 209, or Francis Morris 320. Tickets may be purchased by Senior B's and A's and alumni and their guests.

Peg Reasor made the posters at Riley for the dance. Alice Torok is in charge of taking a poll in the senior home rooms of favorite dance tunes. Diane Fitch is inviting sponsor teachers, the administrative staff, parents of the class officers, social chairmen, and home room presidents.

Tickets will be on sale until Wednesday noon on January 23 and again on Friday, January 25 at 11:00 in Miss Bertha Kiel's room - 207.

The grand march will take place at 10:30. No flowers are to be worn.

Snowflake King, Queen Reigned at First Party

Happy seventh graders enjoy their first Riley party in memory now, since this big social affair "closed shop" yesterday after school in the cafeteria with the last strains of the "talent" show dying away as the "last crumbs of refreshment" were cleaned up.

Class officers who assisted committees in planning the party are: President Jim Potter, Vice-president John Byers, Secretary Christine Olson, Treasurer Richard Blain, and Social Chairman Nancy Postle.

Invitation

Chairman Nancy Postle, Advisor Miss Catherine Wolfe, Assistants Cathy Wilmes, Betty Taylor, Karen Mellquist, Sherry Kusto, Sharon Csernits, Connie Ellsworth, Susan Ann Yoder, Karl Malling.

Green Grass All-around, Maybe

Little steps, big steps, steps of all kinds squish and squash and squosh me, doggone 'em.

Here I have been lying quietly minding my own business trying to renew my strength for next summer's long dry pull and those doggone squish, squash, squosh steps keep on squishing, squashing, and squoshing me.

Green grass in summer such as me can only be if I have a nice warm blanket of snow, yes, that's what I said nice warm blanket of snow. If you doubt me try it some time, just lie down and let the snow cover you all over. You may not come out green in summer like I do but I doubt if you would want to anyway, but I'll 'betcha' that you will be warm with that snow.

Now I ask you, how can I be green next summer if you Riley kids won't let me alone now, stay off me, won't you?, go squish, squash, squosh some place else, won't you?

Eye Lashes Have It!

by Barb and Bonn

Have you ever really noticed one of the most impressive features of a person's face, his eyes? If so you will probably remember his eyelashes also. Here's what a few Rileyites have to say on this subject.

Jill Taylor and Sheryl Royer seem to think eyelashes are good for one purpose only. To keep Mabelle in business. (Surprise everyone!)

When we talked to Carolyn Witucki all she could say was, "Well-l-l now!! Flutter! Flutter!

Dorothy Sailor thinks eyelashes are real good for keeping (small) stars out of your eyes. (???)

"I wish I had long curly eyelashes like Gerald Ropers or Mr. Alson's grey ones (via his Algebra students,)" replied Eddie Schamberg.

Karen Kratovil thinks she could get along without her's because they always fall in her eyes??

"I think somebody should start a new fad. No eyelashes! Sharp huh? Anyway, it would be different!!" said Leila Kirkley.

Lin Greider believes eyelashes are good for cleaning out your locker and also for winking at that special someone!

"If they're long enough they're good for catching flies with," says Carol Frepan.

Gerald Roper especially likes eyelashes when they're long, curly, and attached to something like Anita Eckberg: (Wowee!)

"I've started a collection to match my eyes everytime they turn colors like pink, yellow, orange, etc," Susie Kasprzak adds.

Joyce Mamula thinks eyelashes come in handy for cleaning her glasses!

That's all for now, but be sure to watch for us again with more of these important events that have altered and illuminated our Hi-Times.

Hi!

Today Miss Frueh's tailoring class modeled the outfits they have been working on this semester. Sandie Bennett wore the rose colored coat she made for evening wear. Rosemary Baichley wore a black corduroy sheath dress with the matching jacket. Mary Ann Erdelyi made an aqua jumper and jacket. Theresa Cionek modeled a blue suit, Marie Billisitz modeled a blue plaid suit, Sue Sult modeled a blue velveteen suit, and Carol Brewer modeled a cocoa brown tweed suit. (Perhaps these girls can cook also, boys take notice.)

Science Pupils Enter Westinghouse Contest

Science students have an opportunity to win an all-expense paid trip to the five-day Science Talent Institute in Washington, D. C., compete for \$11,000 in scholarships, or receive recommendations to colleges or universities, through the Westinghouse science program.

The Science Service chooses the winners by three steps: 1. By taking a science aptitude examination; 2. By having school officials complete a personal data and scholarship record; 3. By the student writing a report on "My Scientific Project."

Bob Koch was one of three students that entered from Riley this year. Bob's project is an electrostatic generator. Bob has worked on the project about 3 years. The generator builds up an electrical charge in a sphere by means of a revolving velvet belt. The sphere is at the top of a six foot framework which holds the pulleys the belt runs on. The charge that is generated can be used in experiments in atomic energy. Bob plans to enter Notre Dame this fall and study chemical engineering.

Richard Viduka is another senior that entered the contest. His project concerned crystals. Richard has been working on and interested in crystallography for about three years. He plans on attending either Notre Dame or Indiana to study chemical engineering or biochemistry.

Al Whitcomb entered the contest with a project in mathematics. He plans on attending college and becoming an engineer after graduation.

EVENTS ahead

Predictions For 1957

by Bev Husvar

January, the first month of a new year, 1957. Already some girls and boys are making plans for the summer, seniors are planning their graduation, and some kids are looking forward to Christmas, 1957. Here are some Rileyites predictions for this year.

Joan Hesser makes the prediction that next year we will have much longer vacations. (Well I hope this one comes true!)

"I predict that Elvis Presley will have his sideburns shaved off! (This is impossible!!)

Jeanie Hughes predicts that bathing suits will go back to 1920 style in 1957. (This I gotta see!!)

Susan Banfi predicts that Elvis Presley will be more popular in 1957.

Barbara Drake says, "there will always be school, darn it!!"

Beverly Beck predicts that there will be a big change in music. She says that 1957 will change from "rock and roll" to "long hair!"

Carol Alvord predicts for 1957 that she is going to find out what's behind the "green door." (Well, good luck, Carol!)

Tom Eader is going to trade his car in for a 1957 brand new space ship! (What?)

Jim Morgan predicts that Elvis Presley will be "out of style" in 1957. (Never Jim, never!!)

"I predict that all the boys will be wearing sideburns in 1957," says Pat Goffney.

Carol Knuth says Elvis will fade out completely in 1957.

Nancy Kugler predicts a big career for Tab Hunter in 1957, even better than Elvis Presley. (Time will tell Nan!)

Girls, get a load of this! Helen Kreskai predicts that the hair styles for the girls are going back to 1920 styles! (Let's hope not for our sake!)

Mary Kneble predicts that Riley will be equipped with all automatic typewriters in 1957.

Dorothy Gibson predicts that home room 221 will be nosier next semester than this semester, if it's possible!

Pat Hobgood predicts that George Martain will own a 1957, black, Chevrolet convertible and that she will be the first one to ride in it! (Lucky gal!)

Jean "Shorty" Long predicts that during 1957 she will grow inches, inches, and inches! (Never give up, if at first you don't succeed, try, try again!)

My prediction for 1957 is that the Hi-Times will sell more papers than any other year in history! (I hope so any way!)

KITTENS

ORNER

by Neil Cossman

Intra-mural basketball is underway again with about 40 boys participating. Four sets of games have already been played and another four are yet to come. The schedule for the rest of the season is:

January 21—

- Comets vs All-Americans
- Red Devils vs Bagabones
- Magicians vs All-Stars

January 23—

- Comets vs Bagabones
- All-Americans vs All-Stars
- Red Devils vs Magicians

January 28—

- Comets vs All-Stars
- Bagabones vs Magicians
- All-Americans vs Red Devils

January 30—

A playoff game between the first half and second half winners will decide the league champion. The first half ended January 10.

February 4—

The tournament will start.

K. K.

As of the LaPorte game Riley's freshmen basketball team have a 4-3 overall record, with a 3-2 record in the conference. The frosh now face nine more games, three of which are conference, excluding the Mishawaka and Elkhart games which were played this week.

K. K.

The frosh have downed Madison Twp., Elkhart N. S., Adams, and LaPorte, and have been defeated by Goshen, Central, and Washington.

New Year Holds Wide Assortment of Days, Weeks, And Months

We are all aware of the sudden upswing in the number of national 'weeks' being proclaimed by various organizations, but did you ever stop to consider how many there really are?

In January there are about 15 weeks, among them, Odorless Decoration Week, National Potato Chips Week, Take Tea and See Week, Large Size Week (drug chains) and National Fur Care Week.

February has Kraut and Frankfurter Week, National Pimento Week, National Cherry Week, National Beauty Salon Week, and International Wheat Bread for Toast Week, and in addition to some ten more weeks.

All told, there are about 150 weeks during the year in addition to an odd assortment of 'days' and 'months'. In the last issue of each month the Hi-Times will print the various days, weeks, and months available the following month, so you may observe them.

Davis Merits Trophy For Voluntary Service

by Lyn Porter

The Hering House Community Center, affiliated with the National Urban League, Inc., celebrated its 32nd anniversary last Sunday at Cherry Hall. The speaker was Mr. John Scott, former mayor of South Bend.

Each year at the anniversary program, the Hering House presents a youth award to the girl or boy who has done the most valuable amount of voluntary work for the Hering House. The individual must also be able to get along well with others, be a good follower, and do his share and more of work for the community.

Last year, Billy Nicks won this award. This year the award went to Carol Davis, a junior "A" at Riley. Besides doing a large amount of voluntary work, Carol is also the president of the Youth Branch of the N. A. A. C. P.

Riley students are proud to have one of their classmates win such a trophy for outstanding work for the community.

Frosh Down Adams, LaPorte In Conference Battles; Record Now 4-3

by Neil Cossman

Traveling to LaPorte last Thursday, Coach Don Barnbrook's freshman basketballers defeated their hosts 32-31. Two days before on January 8, the freshmen had defeated Adams in their first game after the vacation 49-36. Both were conference games.

During the first quarter 14 points were scored against LaPorte by the frosh to take the lead at the end of the first period 14-8. LaPorte spurred ahead in the next quarter, scoring 12 points against Riley's 2, to give them a halftime lead of 20-16.

In the third period, the frosh again outscored LaPorte 9-5, to tie the score at 25 points by the end of the third period. In an exciting fourth quarter, the freshmen took the lead by one point to win the game 32-31.

Lance Grieder led Riley's scoring with 11 points. He was followed by Bill Toles 8, Bill Nelson 7, Tom Ellison 4, and Jim Morgan 2.

Booster Club Officers

by Karen Reid

The officers of the Booster Club carry on many activities for the benefit of all the students. I am going to tell you a little about them and something of their interests.

President

Harvey Ulrich, president of The Booster Club, has many duties, one of which is conducting the meetings. Jim's favorite pastime is participating in all sports. Playing basketball takes a lot of his time. Of course he spends part of his time at Janet's house; then some times you will find him just sitting and listening to his favorite song, "Unchained Melody."

Secretary-Treasurer

Janet Priddy as secretary keeps minutes of all meetings. Her favorite pastime is cheerleading and listening

'Air' Favorite Dislikes

to disc jockey programs. Janet's pet peeve is argumentative people who start the arguments just to get attention. Her favorite songs are anything by Harry Belafonte. Nat "King" Cole is high on her list.

Vice-President

Marty Zsedely, a junior who reports in 220 for her home room, is the vice-president of Boosters Club. She takes over when the president is absent or is otherwise busy. Marty spends a lot of her time cheerleading. If she is not doing that she is with Tom Lentzch, her steady. Her pet peeve does not seem to belong here in this "Cool" column.

Riley Kittens Downed By Central 55-28

by Bob Lerman

Meeting Central on January 9, Riley's Junior Hi Kittens were squelched 55-28. Central, as in the first contest with Riley which they won 35-25, highly outclassed the Kittens. Green was top man for Central, hitting for 21. Huey Coalman, brother of John and Sylvester, was another big gun scoring 10. Both Green and Coalman were top rebounders in the game.

Riley failed to capitalize on their free throws, hitting only 12 out of 26. Central used mostly a fast break and their superior height helped them to out-rebound Riley. The Bears took an early lead and led safely the rest of the game. Riley now has a 4-7 record. The Kittens next game is January 23 against Navarre there.

CAT... TALES

by Dave Lerman

With the win over North Side last Saturday, the basketball team has moved to one game from the 500 percentage. They are now 6 and 7 for the season, 2 and 1 in the conference, and have now won as many games as they did all last year.

C. T.

The governing body of high school athletics in Indiana, the I. H. S. A. A. (Indiana High School Athletic Association) is expected to very shortly lower the age limit for varsity athletes. Previously the limit was 20 years of age, however since many of the other states have lowered the limit Indiana is expected to follow suit. The new proposed age limit is 19. One wonders if maybe this is part of a stiffening of amateur rules along the lines of the new N. C. A. A. (college) policy.

Bears Beat Wrestlers; Geraghty, Hoover Win

Riley's wrestling squad met more than their match when they visited Central and were trounced 38-8.

Riley's only victories and points came when Pat Geraghty pinned his opponent for five points and Herb Hoover won by a decision.

Results

- Riley, R; Central, C.
- Geraghty R, pinned Brown.
- Anderson C, pinned Miller.
- Atherton C, pinned Grieder.
- Cytacki C, decisioned Klosinski.
- Freedline C, pinned Starrett.

Riley Downs Vikings, Fort Wayne; Reinke, Barnes Pace Squad

Reversing their early season strategy of being outscored, Riley's basketball team continued its upward surge in no uncertain terms as they clobbered Niles 83 to 57, and Ft. Wayne Northside 71 to 45, in games last week. This gives the Wildcats 6 wins against 7 losses for the season.

Niles proved to be no match for the Wildcats as the Vikings succumbed easily. Danny Barnes led the Riley attack with 26 points as the Wildcats racked up their most points in a single game along with Barne's best individual effort, scoringwise this year for Riley. With little resemblance of a defense facing them, the Wildcats worked well for the short shots which they had all night. Coming up with 50 points the first half, Riley then substituted freely with all combinations working well.

Saturday Coach Stewart's cohorts took on a weak Ft. Wayne Northside team in a conference game. Playing on Northsides small court, both teams set up zone defenses. Riley led by 9 points at the end of the first quarter and steadily increased the margin to win by 26 points. In a rough contest which saw elbows fly and tempers flare, the Wildcats proved a well balanced attack which saw five players hit in double figures. Wintrode led with 14, Barnes, Gunn, and Reinke getting 12 and Starrett 11. Besides the 12 points Reinke collected, Denny also received two stitches needed to mend a cut he got during the rough action.

Meanwhile the "B" team got back on the winning track, downing Niles 33 to 31 and Northside 38 to 34 in two thrillers. Phil Grundy came off the bench to hit a 20 foot set shot in the last second to salvage the victory over Niles. The Bees then pulled out another close one over North Side giving them a season record of 8 wins and 3 losses.

Riley Quintet to Face Slicers, Bears and Eagles at Adams

Riley's high flying Wildcats, winner of five of their last six contests and sporting a 2-1 record, will face the LaPorte Slicers tonight, Central January 24, and Adams January 31. All contests are conference affairs and all will be played at Adams gymnasium.

Joe Winston. Central is the only unbeaten conference squad with a 3-0 mark and Riley should go into the contest with a 3-1 record and Riley should give Central a good battle.

Riley-Adams contest is the rivalry in basketball as the Riley-Washington one is in football. Along with a mighty fine game there will also be plenty of pulchritude on hand as both schools will have queens and their courts. Adams topped Riley 59-42 earlier in the season but the Wildcats should give Adams a nip and tuck contest and have a very good chance of winning. Adams is 2-1 in the conference having beaten Mishawaka in an upset, and Goshen while losing to Michigan City.

Coach Stewart's men are on the move and should provide plenty of good action for their fans and followers. In these contests Coach Stewart will use a combination of five of these six men: Danny Barnes, Jerry Starrett, Buzz Wintrode, Denny Reinke, Dave Gunn, or Tom Poholski. Riley is now 2-1 in the conference.

LaPorte has a 1-2 conference record and a poor over all record. They lost their two outstanding players on last year's squad, Bob Wilkinson and Harry Turok. Coach Bob Miller is rebuilding this year and is having a rough season. Don Sabie and Bob Eigermann are the two leading scorers for the Slicers this season. They have beaten Fort Wayne and lost to Central and Elkhart in loop play.

Central, of course, is the number one squad in the state. They have four of last year's starters remaining and have a twelve game winning streak. Back from last year are the Coalman brothers, John and Sylvester, Herbie Lee and Lee McKnight. The fifth player will be either Denny Bishop, Mike Saccini or
