other evening, I, being fatigued from a strenuous day of study, looked around for a spot of repose on which to place my weary bones.

There on the lawn of Riley High lay a rock, bold and outstanding. On this cold stone I sat. Despite the glances of passing motorists, I enjoyed my rest. After a few moments. I started to leave. But I couldn't. I was stuck to the rock!

Then the rock spoke! It said, "Because you have sat upon my back, I will impose a curse on you. Since respect for me is what you lack, I will lead you to suppose that I am the rock of Ages with mystic powers galore, and hence forth you will be my slave, soliciting from door to door."

I just laughed at that silly rock. I thought.

But when the midnight hour rang in that night, I found myself down on the street walking from door to door spreading good dreams. The next night I sang songs of contentment around the block. Tonight, well, Heaven only knows what deplorable act of goodwill I'll be doing.

So, let this be a lesson to all who would take advantage of the Rock of 1967: Think before you sit.

June Keresztes.

Riley's Human Relations Council was invited to Syracuse, Indiana on Sunday, November 5, to participate in an inter-racial young people's rally at the E.U.B. church in Syracuse. Riley presented a panel consisting of Dennis Gay, David Davis, Maureen Carney, Mary Lou Johnston and Shirley Ross which discussed problems at Riley. The Panel was followed by discussion groups and then a supper was served. The group left South Bend at 1:00 p.m. and returned at 6:30 p.m.

Semifinalists Named

A.F.S. semi-finalists from Riley this year are Beth Bliler and Mary Jo Medich. Both juniors, the girls were chosen after a number of personal interviews with Riley's A.F.S. chapter which is headed by Mrs. Roland Fitch. Beth and Mary Jo were chosen on the basis of many personal qualities such as the ability to get along well with many types of people and their ability to adapt to different situations from those in South Bend.

The girls have applied for the Summer Program only. This could enable them to spend the summer of 1968 with a family in a foreign country. But in order to spend the summer abroad, a family must be found which is willing to take an A.F.S.er for the summer and which is suited to the personality of the finalist in question. Beth and Mary Jo will be notified in late May or June if a family has been found for either of them. Riley wishes them the best of luck and the school is very proud of this year's outstanding candidates.

The idea behind A.F.S. can well be summed up in its motto "Walk together, talk together, O ye peoples of the earth, then and only then will there be peace".

Student Council Forms Committees

A meeting of the Student Council was held November 9, in room 211 during homeroom. President Bill Wilson presided.

Mr. Douglas Simpson first asked for several members to help with the Model United Nations Assembly on November 17 and 18. Linda West, chairman of the finance committee, reported that license plates and student directories are still being sold. Kathy Gruelich reviewed the plans for the Student Court. It was decided a report will be made at a later meeting when more definite plans are ready.

The homeroom adjustment plan also was reported on. The Student Council has been polling all of the teachers for their opinions of the plan. It was stated that a committee between council members and teachers would be formed to analyze the results of this poll.

The juke box was reported on by Debbie Bucher. Several of the teachers do not care for the music, but they are pleased with the way in which the students are responding to the music. The final report given was on the elections. Sarla Sinclair is the chairman of a committee to look into standardizing class elections. Another committee has been planned to run any school election if it is asked. It was proposed that the members of this should be elected by the Student Council; there should be two members from each class.

Santa is In the Swim

The Riley Synchronettes are planning a Christmas Party for members and their mothers. The girls will perform several numbers for their mothers, to show what they have been doing every Wednesday night. Included in the numbers are a duet, a sextet, an all-senior number, and a mass number. The girls have been working for several weeks on the mass number and have already begun work on the other numbers. The music will reflect the Christmas season with music such as "Carol of the Drum", "Frosty the Snowman", and "Rudolph the Rednosed Reindeer".

After performing, both Synchronettes and their mothers will be invited to the locker room for refreshments and a gift exchange. The gifts will be distributed by Santa Claus, himself. A decorated Christmas tree will help Santa to express the Christmas spirit.

One hundred and seventy-one boys from cross country teams of this area met for the annual Sectional cross country meet held at Erskine Golf Course. The first five individuals and three teams advanced to the LaPorte Regional in preparation and elimination for the state meet.

Riley's Mark Arsenault finished second only to the destined State Champion Bob Seals of Central. Mark turned in an excellent time of 10:16.4.

Not far behind Mark was Rick Greulich who placed 12. This was not Rick's best time of the season, but as only a sophomore, Riley has great hopes for him.

Riley's season record was 4 and 8, but in the next 2 years this team should be great.

Riley Wrestlers Open Season

The 1967-68 edition of the Riley wrestling season could prove to be very exciting. With plenty of returning regulars, the grapplers should be one of the powers of the area. This year Coach Tom Connelly, in his third year of coaching at Riley, will be depending on several lettermen, plus some other very able experienced boys.

The returning lettermen from last year are Larry Monsma, a junior; Don Lerman, a senior; Al Gammage, a senior; Kenny Reed, a junior, Hugh McDonald, a senior; and Ollie Ross, a senior. Other boys returning this year that should offer team strength are, Floyd Jackson, a senior, Cleveland Johnson, a junior; Bob Mawson, a junior; Phil Kennedy, a junior; and Bob Foster, a junior.

The Wildcat grapplers will open with a meet at 4 p.m., November 30, at LaPorte. After that they have their first home meet with LaSalle at 6 p.m., December 5. This meet, as all home meets, will be held in the Riley gym. The east bleachers are in use for all persons attending the meets.

A new addition has been added to the team this year, and that is new B-team coach, Mr. Jim Lands. Mr. Lands, a Ball State graduate, has had plenty of experience in the field of wrestling.

Coach Connelly believes the outlook is bright for a successful 1967-68 wrestling season.

In the running game, Riley also was very good. Led by the rushing of Ray Vinegar, John Parsons, Tony Peterson and Dave Barrett, Riley gained much important ground yardage that kept the other teams thinking. Also rushing for good yardage were Kevin Powers and Bob Soos.

Riley Hosts Cross Country

Sectional at Erskine by Julius Keresztes

One hundred and seventy-one boys from cross country teams of this area met for the annual Sectional cross country meet held at Erskine Golf Course. The first five individuals and three teams advanced to the LaPorte Regional in preparation and elimination for the state meet.

Riley's Mark Arsenault finished second only to the destined State Champion Bob Seals of Central. Mark turned in an excellent time of 10:16.4.

Not far behind Mark was Rick Greulich who placed 12. This was not Rick's best time of the season, but as only a sophomore, Riley has great hopes for him.

Also turning in fine times were Kim Kryder, Larry Monsma, Charles Cutler and Mark Allen. These boys along with Mark and Rich led Riley to 8th place only two points behind Penn.

This was the last meet for Coach Burt Brenneman's squad except for Mark. He and his team

Riley's season record was 4 and 8, but in the next 2 years this team should be great.

Riley Wrestlers Open Season

The 1967-68 edition of the Riley wrestling season could prove to be very exciting. With plenty of returning regulars, the grapplers should be one of the powers of the area. This year Coach Tom Connelly, in his third year of coaching at Riley, will be depending on several lettermen, plus some other very able experienced boys.

The returning lettermen from last year are Larry Monsma, a junior; Don Lerman, a senior; Al Gammage, a senior; Kenny Reed, a junior, Hugh McDonald, a senior; and Ollie Ross, a senior. Other boys returning this year that should offer team strength are, Floyd Jackson, a senior, Cleveland Johnson, a junior; Bob Mawson, a junior; Phil Kennedy, a junior; and Bob Foster, a junior.

The Wildcat grapplers will open with a meet at 4 p.m., November 30, at LaPorte. After that they have their first home meet with LaSalle at 6 p.m., December 5. This meet, as all home meets, will be held in the Riley gym. The east bleachers are in use for all persons attending the meets.

A new addition has been added to the team this year, and that is new B-team coach, Mr. Jim Lands. Mr. Lands, a Ball State graduate, has had plenty of experience in the field of wrestling.

Coach Connelly believes the outlook is bright for a successful 1967-68 wrestling season.
