

Can you volunteer to help **find** classmates?

This position would help find missing classmates (listed but have not joined the site yet) and encourage them in joining and using the website.

Also, you could help by **adding** any Junior, Sophomore and Freshmen classmates that are not on the website. (I will supply you with the photos and names).

Remember, Central, Jackson, LaSalle and Clay are closed. They will need your help also.

We currently have over 136,000 names and senior photos for the seven high schools.

The stories, photos and contact information is a South Bend treasury.

It is also the basis for about 25 high school reunions each year.

If you could spend an hour or two a week, we can expect great increase in our websites population.

We hold ZOOM sessions each Wednesday evening at 8:00 PM
