Juniors Hold Elections

The primary election to narrow the field of candidates to four per office was held yesterday. The four candidates for president and vice-president will be able to present their platforms at a Junior class assembly to be held October 6 in the auditorium. The final elections will take place on Tuesday, October 10, within the respective classrooms.

Debaters Go South

Riley students who will be attending a debate clinic tomorrow at Butler University are Dave Coffman, Miles Crum, Dennis Gay, Hope Hammond, Karl Hoffman, Don Lerman, Craig Nedderman, Dave Paskin, Greg Petry, Judi Stein, Bill Wilson, and Curt Diamond. Mr. Charles Goodman, debate sponsor, will accompany the group.

The clinic is an all day affair and will include lectures by John Dillon, Attorney General of Indiana, Professor D. Herman of Western Michigan University, and Professor H. Lawson of Ohio State University.

The debaters hope to obtain more information on their topic for this year's debate, "Resolved: that Congress should establish uniform standards of criminal investigation procedure." The area of discussion involved in this proposal includes the best way to combat crime in the United States. An exhibition debate on this subject will be given by Lafayette Jeff High School vs. Brebeuf Preparatory School.

Concert Date Set

The annual North Central Music Festival will be given at 8 p.m. on October 26 in the Adams auditorium. This concert brings together members of orchestras and choirs from all over the north central part of Indiana.

The music to be presented by the orchestra will be "The Suite from Winter Music" by G. F. Handel, "The Sound of Music" by Rodgers and Hammerstein, "More," the theme from *Mondo Cane*, "The Suite in Allen Style" by Edward Grieg, and "The Outdoor Overture" by Aaron Copeland. The combined orchestra and chorus will perform "The Ballad for Brotherhood."

Leading cheers for Riley's Top-Cat varsity football and basketball teams this year are Judy Hoover, Jan Toth, Judy Ginter, Dawn Dawson, and Susie Kern.

Let's Have One Big Cheer

Leading cheers for Riley this season are Jan Toth, Judy Hoover, Dawn Dawson, Judy Ginter, and Susie Kern. B-team cheerleaders are Cindy Abel, Debbie Bucher, Sue Hiles, Kathy Kirk, and Roseann Nagy. These girls were chosen last spring in tryouts before the previous cheerleaders, other selected students, and faculty members.

This summer all the varsity cheerleaders except Susie attended from June 22 to June 26, Camp All American near Lansing, Michigan. The new cheers and hints

the girls learned there have been parts of their routine ever since. Miss Mary Catherine Lauer is their advisor at their practices twice a week. Anyone wondering what happened to their new white uniforms, is advised to buy his basketball season ticket and go to the games to find out.

Riley's cheerleaders appreciate the students showing their spirit at the games, but they do not appreciate the students starting cheers on their own in the stands. The cheerleaders are not allowed to yell with the fans on these

cheers, so the result is not a unified one in the eyes of the team and the other school.

Riley has two school songs, "Stand Up and Cheer" and "Wave the Flag." All of the fans are supposed to stand during both of these songs and also during the singing of the opponent's song.

If anyone has any rousing ideas for boosting school spirit, for planning pep assemblies, or for developing new cheers, please tell any of the cheerleaders. They are here to help Riley come out on top.

STAND UP AND CHEER

Stand up and cheer,
Cheer long and loud for Riley
High School

For today we raise
The purple and gold above the rest,
Above the rest.
Our boys are fighting,
For they are bound to win the fray.
We've got the team,
You bet!
We've got the steam,
You bet!
For this is Riley High School's
day.

Ooooooh, we've got the team that
is the best,
That is better than all the rest.
Oh we've got the team that is
better than the rest,
And the name of the team is
Wildcats!

Will Give PSAT

The PSAT will be given to all interested juniors at Riley on Saturday, October 21. The testing time is two hours, with an additional 20 minutes for instructions. Test will begin at 9:00 a.m. promptly, and should be through by 11:30 a.m.

The cost of taking the test is \$1.50, payable on or before 4:00 p.m. Friday, Oct. 13. Upon payment of the fee, a student will receive a booklet entitled "Bulletin of Information." Fees will be payable to Mrs. Millar, the guidance department secretary, in room 222.

Students are urged to discuss this test with their parents. If there is even the slightest possibility of a student attending college, he should plan to take this test.

Any Negro student who wishes to apply for financial aid from the National Student Scholarship Fund for Negro students must take the PSAT.

The Preliminary Scholastic Aptitude Test (better known as the PSAT) is a test offered by the College Entrance Examination Board to aid students in the transition from high school to college. It is a shorter version of the SAT, which is required for admission by over 600 colleges.

The primary purpose of the PSAT is to provide help to students in estimating their ability to do work at various kinds of colleges. It contains the same types of multiple choice questions as the SAT and measures the same verbal and mathematical abilities. It tests a student's ability to reason with facts rather than to recall and to recite them.

Students who have had little experience with timed multiple-choice tests, or who feel uncertain about taking such tests for college admissions, would benefit from taking the PSAT. On the basis of these test results, counselors can predict a student's possible success (grades he will make) in any of the Indiana colleges.

Here Are the Winners

Student Council at-large members are seniors: Barb Aronson, Karen Crawford, Linda Hartman, Liz Lovas, Darlene Lewis, Marty Pozil, Joe Thompson, Jan Toth, Mary Lou Johnston, and Karl Hoffman.

Juniors are Jim Nagy, Sandy Kovatch, Helen Little, Sherry Lewis, Beth Blieler, Gail Rice, Elaine Papai, and Debbie Bucher.

Sophomores are Scott Stuller, Gwen Finger, Kim Kryder, Cathie Hendricks, Karol Holcomb, and Shelly Krick.

Freshmen are Sandy Baney, Danny Chambliss, Nancy Johnston, and Pam Lucas.

These members were elected by the student body September 21.

Drama Club Chooses Play

The cast for Moliere's *Imaginary Invalid*, to be given on November 9 and 10 in Riley's Auditorium, has been chosen. The cast will include, as Argan, Gary Murray; as his second wife Beline, Ruth Ann Beehler and Liz Detterich; Angelique, Argan's teenage daughter and Shepherdess, Sue Nimitz, Bonnie Hostler, and Linda Lillybeck; Louison, Argan's younger daughter, Jo Miner; Argan's brother, Beralde, will be played by Richard Schoner and Doug Smith.

Cleante, Angelique's suitor will be played by Marco Lopez; as M. Diafoirus, Tim Wead and Mark Olson; Thomas Diafoirus, Angelique's suitor will be played by Larry Jessup.

Officers of the National Honor Society at Riley this year, Joan Casper, secretary; Kurt Gilman, treasurer; Bill Wilson, vice-president; Karl Hoffman, president.

Representatives Visit

Representatives from various colleges will be visiting Riley throughout the year. These appointments will be scheduled on the guidance bulletin board across from the main office and will be listed in the HI-TIMES whenever possible. Any student wishing to visit a college representative must obtain an admit from his counselor by 4:00 on the previous day. It is expected that no student would be given more than four admits in one year.

Saturday, October 7, at 9:30 a.m., officials from Indiana University will present an informative program for high school juniors and seniors and their parents at the South Bend-Mishawaka Campus. The program will consist of general information about admissions, testing, course offerings, housing and costs. It will also include information concerning scholastic and financial aid opportunities.

N.H.S. Offers Scholarship

Any high school senior who is a member of the National Honor Society or who feels he will become a member by February 15, 1968, may apply for a National Honor Society scholarship by taking the PSAT which will be given at Riley High School on Saturday, October 21.

Students must be seniors and members or potential members of the National Honor Society. The PSAT must be taken in the senior year; junior year scores cannot be used. A total of 225 scholarships will be awarded within amounts ranging from \$500 to \$6,000.

N.H.S. Plans Sadie Hawkin's Dance

The National Honor Society of Riley High School is sponsoring Riley's first dance this year. It is to be a Sadie Hawkin's Dance held from 8:00 to 11:00 p.m. today in the Riley gymnasium.

Music will be provided by the "Lord Chamberlins." Tickets for the dance are fifty cents each.

Steve Pocza was in charge of hiring a band. Jan Johnson and Judy Earhart are chairmen of the ticket committee. Jan Horvath, Mark Campbell, Joan Casper, Jo Ricks, Gary Murray, Al Lopez and Steve Pocza make up the publicity committee. Chaperones for the dance were obtained by Sue Boyce and June Keresztes.

The refreshments committee is headed by Jan Hildebrand who is being assisted by Fran Reaves, Kevin Powers, Sue Boyce, Joan Casper, and Ruth Beehler. Other committees are: decorations, Judy Brown and Linda Nyari; invitations, Mary Lou Johnston; checking, Kurt Gilman and Sharon Adams; clean-up, Karl Hoffman assisted by all the members of the chapter.

Tickets for the dance are available from any member. For your convenience, other members of the National Honor Society are: Barb Ziker, Jan Toth, Don Lerman, Krista Kottowski, Mary Jo Knisley, Sandra Stauffer, Mark Allen, Judith Whisman, Hope Hammond, Ellis Workman, Bill Wilson, Barb Aronson, Jan Kalmar, and Vicky VanderHagen.

O.T.A.

The world is waiting to hear why B.R. forgets S.P.'s ring.

S.T. What's this we hear about you going through Leeper Park saying, "Hi! My name is Sharon."

What is the world coming to, when people like G.P. and M.T. can't even help their friends who are being mobbed?

I thought everyone knew who Tommy Smothers is. Don't you know G.R.?

What is this about warm milk and mustard?

Hey M.B.! Guess who thinks he has eight numbers in his telephone number.

Contact Mike in homeroom 225 for "delicious" Hungarian recipes.

Welding Offered at Riley

Mr. James Land, who graduated from Ball State University, is teaching welding, a brand new class being offered at Riley.

Mr. Land teaches two beginning electricity courses, one electronics course, and two welding courses.

The Hi-Times reporter asked Mr. Land for a good definition of welding. He replied "Welding is a process which is banding of two materials by man-made substances. Three methods are used in the welding class--gas, electric, and spot welding."

Since this is Riley's first year to offer welding, Mr. Land said not all the materials needed are available. He stated that welding is a good subject for any high school student to take not only to learn an occupation but to learn a skill a handyman can use around his home.--By Dan White.

WAVE THE FLAG

Wave the flag for dear old Riley;
Hold her colors high;
Let the gold and purple banners
Flaunt against the sky.
Cheer the team in every battle;
The brave men win the game.
Wave the flag for dear old Riley,
Add a victory to her name!

Our team is dynamite.
We're gonna win tonight.
Higher; Higher;
Wildcats raise that score!

We want a V-I-C-T-O-R-Y
for our V-A-R-S-I-T-Y.
We want a victory for our varsity,
varsity;
Go, Fight, Win!

Earlham Offers Varied Plan

Earlham College, a small liberal arts institution in Richmond, Indiana, ranks high in the production of eminent scholars and professional leaders. From Earlham's campus, where 1100 students are enrolled, have come a number of persons who have made notable contributions to today's modern world.

Earlham was one of the first colleges to involve undergraduate students in extensive field studies and original research projects in the Natural Sciences and in intensive research on community social and economic problems. In the Science Division, student-faculty research teams have engaged in such projects as the excavation of mastadon skeletons and have made discoveries of importance to soil science. Varied foreign study programs take groups of Earlham students to England, France, Germany, Greece, Italy, Japan, and Spain, as well as to Scandinavia and Eastern Europe.

A biological field station in northern Indiana, "pass-fail" (rather than conventional grading), freshman seminar and independent study options, and the facilities of Earlham-related centers and programs in Washington, D.C., New York City, and Detroit are some experiences Earlham offers all of its students. Earlham is a Center for East-Asia Language and Area Studies under a contract with the U. S. Office of Education.

The goal of the College is the achievement of a wholeness of life through the fullest possible development of each student's intellectual, physical, and spiritual capacities. More than one-third of Earlham's men participate in one or more varsity sports. Service and social activities are regular events at Earlham.

Most Earlham freshmen are top-quarter graduates of their respective high schools. All take the Scholastic Aptitude Test, with scores of successful applicants ranging from 450 to 800 and averaging near the 600 mark. A number of well-qualified applicants gain admission early in their senior year of high school on Earlham's "early decision" plan. Others, using regular admission procedures, are expected to apply by February 15 and to submit College Scholarship Service data if they are seeking financial assistance.

DEAR ORVILLE

Dear Fans and/or Readers:

You have been letting me down. How can I give you advice from the questions you are supposed to send me, if you don't send me any questions? I know you have problems; everybody has them except me. Just scribble them on a scrap of paper and slip it under the door of room 216. Here are a few bits of wisdom for those who are smart enough to know a good thing when they see it.

Dear Orville: I was just sitting here when I became confronted with a great decision. NBC says to use Brylcreem, the white paste because a "little dab'll do ya." CBS says to use Vitalis, the clear non-greasy hair tonic. Orville, what should I do.

Oily

Dear Oily:

The obvious answer is to turn on ABC.

Dear Orville:

I am a duck. You are probably a human. Ducks can't wear white levis. You have all the luck. Orville, I want to wear white levis. What can I do?

Unlucky Duck

Dear U.D.:

The answer is simple. You can have them tailor-made. And never forget this famous old Jewish proverb: A duck is just a chicken with horseshoes.

Tribune Writers Chosen

Lisa Stockberger, junior, and Nancy Sulok, senior, will report activities at Riley for the South Bend Tribune's high school page. Any club or organization wishing publicity for an activity should contact one of these reporters at least three weeks in advance of the event. Lisa and Nancy attended a planning session for reporters from all high schools in the area held September 18 in the offices of The Tribune.

Purdue Plans High School Day

Purdue University will give thousands of prospective students a broad view of the opportunities in college education at its annual High School Day Saturday, Oct. 14. Reservations for the day's program should be made in the Guidance Office by Oct. 4.

The program is aimed at encouraging the visiting pupils to ask questions about careers and what kind of college education they require. Opening the day's educational preview at a general session in Elliott Hall of Music at 9 a.m., Harland W. White, director of admissions, will speak on "The Quest in Questions."

At 10 a.m., visiting pupils will be divided into groups to meet with counselors in the academic area in which they could prepare for their first-choice career. In the afternoon, visitors will have opportunity to talk with counselors in a second choice academic area, seek additional information in the first-choice area or join in conducted tours of Purdue facilities.

Senior Boys Attend Engineering Institute

Two senior boys from Riley spent two weeks at a High School Engineering Institute last summer. Ralph Acito and Karl Hoffman were at Michigan State University, East Lansing, from June 25 till July 8. The boys heard of the program through Miss Elizabeth Murphy, their mathematics teacher.

Each day they attended a class in a different field of engineering. Ralph found the field of electrical engineering to be the most interesting. Highlights of the campus for Ralph were the planetarium and the cyclotron. Karl feels the other students were the most intriguing part of his trip, aside from the classes.

T.B. League Resumes Its Activities

The Junior Board of the TB League resumed on September 13. The Board is made up of a junior and a senior from each high school in St. Joseph County. Peggy Durbin and Tom Csenar are the two representatives from Riley.

At the first meeting, upcoming events which are the Health Cross Sales at Notre Dame, the Christmas Seal Speech Contest, the Christmas Seal Campaign, and the Health Poster Contest were discussed.

The Health Cross Sales were held at Notre Dame on September 23, and will be continued on October 7 at the Notre Dame-Iowa game. The Board needs a large group of girls to go out to Notre Dame to sell the Health Cross pins before the games. The girls are to meet at Notre Dame at noon across from Gate 10.

Stay Tuned For the Rock

Tune In On West Side

By Debbie Hammer

The musical, *West Side Story*, opened Friday, September 15 at the Country Playhouse. The show will be playing each Friday and Saturday night through October 14.

Tony, a member of a gang called the Jets, falls in love with Maria, a member of the Shark gang. The lovers are tortured by barriers of hate and fear. When they were together for a moment, they were discovered by the Sharks, and Tony was killed. Stunned by their own violence, the two gangs realize the prejudices that exist. This can easily be compared to today's life.

Mr. Wes Peters, art teacher here at Riley, designed the scenery of the play, and Mr. Thomas Black, English teacher, plays the part of Schrank and produced the play. In his English IV class the comment was made that if nothing is done about the prejudice and hate in the world it will end in complete destruction. Prejudice and hate are what the play centered around. We were really impressed with the play because it made us realize how true it is that prejudice and hate must be overcome.

Maryann Kulik, a Riley graduate, played a leading role of "Anita."

The dancing scenes and the singing of Tony (played by Larry Brucker) and Maria (played by Valerie Toth) left the audience with the mood of the songs.

A number of schools are sending classes to attend *West Side Story*. It is a worthwhile play to see providing you can get tickets.

Swimmers Plan Year

The Riley Synchronettes are beginning their second year by selling the *Hi-Times* and advertisements for the paper. The girls have many plans for the coming year: a Mother-Daughter Christmas Party, the water show, which will be on May 23, 24 and 25, and a banquet at the end of the year. To prepare for their various projects the girls will be swimming from 3:30 to 5:30 each Wednesday night.

Membership is open to any girl interested who can pass the test of the four basic strokes. In December, members will again be tested on both strokes and stunts to determine who will be in the water show. Girls not selected will continue as members and may work on the different committees for the show. Since Synchronettes is a part of G.A.A., any girl participating will receive points toward G.A.A. awards, if she is a member for the full year.

Officers for this year are: Jan Horvath, president; Bev Morse, vice-president; Marcia Toth, secretary; June Keresztes, treasurer; Mary Lou Johnston, reporter; Jo Ellen Ricks, projects chairman; and Sandy Kovatch, sergeant-at-arms.

Happy Birthday Riley

James Whitcomb Riley was born October 7, 1849, at Greenfield, Indiana. He was the third of five children in his family. His everyday life was that of the average boy of his time; he was shy and timid and not strong physically. In his youth he wrote and saved all of his writings in a small box. The small box was rapidly outgrown and eventually replaced with several trunks.

For his poems, Riley used the things he knew as topics. After grammar school, he became a sign-painter and an actor in a medicine show. When he worked on a second newspaper in Indiana, some of his poems were published for the first time under the name of "Benjamin F. Johnson, of

Boone." After gaining fame, he traveled around the country reading his poems and lecturing with "Bill" Nye.

By the time of his death on July 22, 1916, Riley had become a legend; and the legend still exists. Few men have been as fortunate and have left such an unfaded mark on their homelands. Because of his affection for Indiana and Indiana's affection for him, Riley has been called the "Hoosier Poet." Riley invented the typical Hoosier; he wrote of the people around him by altering them and adapting them to his purposes.

To better acquaint the students of Riley High School with the work and life of James Whitcomb Riley, the *HI-TIMES* presents some of his more famous poems.

Band Works to Make Game Successful

The Riley High School marching band, under the direction of Lewis Habegger and Jerry Lackey, worked very hard to make the LaPorte game a success. Mike Bennett, one of the drum majors, arranged the program for the half time show.

Bonnie Hostetler says she feels it is a great privilege to be a part of the band. "We are concerned mainly in helping to keep Riley's good name," Bonnie said. "I have been a band member for three years, and each year I enjoy it more and more.

I'm also very honored to march under the leadership of our two drum majors, Mike McCord and Mike Bennett. Our band is very proud to have the Indiana State Champion baton twirler for Golden Girl, Jeanne Hodges."

"Our first week we were on duty and ready to start the marching season out with a bang! The pre-game was our first, since the game with Mishawaka wasn't a home game. But now, the ball has started to roll and the band is very busy learning new songs and formations for the coming games."

Linda Represents Riley

Each year, the American Legion Auxiliary sponsors Hoosier Girl's State on the campus of Indiana University. The purpose of Girl's State is to promote a more active understanding of the workings of the U.S. government. For one week, girls representing high schools throughout Indiana are given the opportunity to learn American government through actual participation.

Upon arriving at Girl's State, we were told the party which we would belong to, whether Nationalist or Federalist, and the county and city to which we would belong. From that time onward we were in city, county, state, and party meetings.

Party leaders and platforms had to be set up and everyone had to file for an office on either the city, county, or state level. After primary elections were held, campaigning had to begin for the general elections. After the excitement of the general elections, we began to fulfill the requirements of the office we had won.

Because of the many official acts which we had performed in such a short time everyone was surprised to find that the week was already over. We had set up our cities from the election of city officials to the solving of city problems, such as the condemning of my roommate and my room by the Board of Health because we had a germ infected junk yard in a residential area. We had set up the county offices from the election of county officials to the remodeling of the county morgue.

Last of all we had set up our state government. We had started with the nomination conventions of both parties and ended with the governor signing such legislation as an open-housing bill and the abolishment of capital punishment.

On the last day, as I, along with the 700 girls who had attended Girl's State, thought over the past week, we knew that we had been given a great opportunity. We had learned about American government through actual participation in its functioning and we had made many new friends. Our only wish was that more teenagers could be given the honor of attending one of the most interesting and worthwhile programs in Indiana and the United States today.

Mr. Orfanos Comes to Riley

Mr. George Orfanos has recently been added to Riley's staff as a pre-vocational counselor and teacher in a work study program. Mrs. Orfanos is also teaching at Riley in the language department. She teaches French and Russian. Riley is proud to have two Orfanoses on the staff.

Riley's Enrollment Fluctuates

Riley's enrollment on September 19 was 1663, according to Mrs. Earhart, attendance secretary. Of this number, 478 students are freshmen, 442 are sophomores, 403 are juniors, and 430 are seniors.

Last year the enrollment was 1724 at the beginning of the year and 1582 at the end of the year. The enrollment changes as students move out of the district and as others move in.

At the first pep assembly held this year, Mr. Hess spoke of an article on the Tribune's sportpage which stated that Riley is one year from greatness. This he said was an error. On Sept. 8 the Wildcats proved to the sports writer and all readers of his column that Riley is not planning on waiting until next year--greatness already is here.

Central was the first victim of the "Riley monster machine." The second victim was Mishawaka. Where were you on Sept. 8 and 15? The crowd wasn't nearly as big as the spirit of those Wildcats. Last weekend Riley met LaPorte at home. At press time we don't know the score but we know "Riley IS a GREAT team."

Three linemen for the Wildcats this year are, from left, end Hugh MacDonald, flank center Jim Lyons, and end Tom Uzelac.

First Victory For 'Cats

Central's Bears were the first to find out what Wildcat fury is like, and we're sure they won't be the last team to experience it. Not only did their fury bring the Wildcats an ordinary victory, but it also brought them a conference win.

The Wildcat victory over Central 20-13 should prove to Bob Towner and the sports staff of the South Bend Tribune that this year Riley will be great, and next year they will be greater. To the fans who got out to School Field to see Riley down Central, this will be old news, but to those who failed to make the Wildcats' opener, this victory is one that will be talked about for years to come.

Riley Golfer Wins City Junior

The City Junior championship went to Tom Hayes this year. Why just an article on the city Junior? Well this year it went to a Riley student. Tom who is 16 and a Junior here at Riley won the championship in high fashion 8 and 7 over John Gray.

Tom started off with a bang as he went 3 up on the front nine with a one under par 34. On the back nine of the schedule's 36 hole playoff, Tom picked up one hole in a see-saw battle by taking nos. 12, 13, 17, and losing 10 and 14 to take a 4 hole lead at the end of the first 18.

Tom again started off in high fashion by taking numbers 19, 20, 23, and 25 to take a commanding 18 hole lead. The next four holes were halved and the Riley High School Junior found himself the city Junior Champion by a wide margin of 8 and 7.

Tom is also a member of the Riley Varsity golf team.

The last Riley student to win this tournament was Mark Toth who downed his own teammate Fred Biggs, Jr. 1 up in 43 holes.

Riley's Never Give Up Attitude Hard to Beat

When you're down 14-0 in a matter of minutes the only thing that is running through your mind is that you can't give up. With three quarters left in the game you really can't think any differently. However, only the WILDCATS can put an effort strong enough to pull this kind of game out.

Mishawaka found out the hard way. They were leading 14-0 in the first quarter. That was only the first quarter. Do not forget there are three more quarters to be played and Riley used almost all of them. All except about 1:15. The important thing is that they got the job done.

It started on an interception by senior John Parsons on about a 40 yard return all the way into the end zone. Jim Lyons added the extra point and at the half it was 14-7. In the second half the WILDCATS kicked off to the Cavemen. This is where the defense did its part in holding the fired up Cavemen as they got the Maroons to fumble on about the 50 yard line. Ray Vinegar then found running room to the inside and scampered to the 23 yard line.

The drive almost died right there. If it hadn't been for a piling on penalty by the Cavemen it would have ended right there. With the penalty, the ball was put on the 9 yard line. Vinegar then plowed in for a yard, and on the next play, a Kevin Powers to Dave Barret pass play, Riley scored. This time Lyons' extra point attempt was missed, and the 'CATS were still down 14-13 with about five minutes left in the third quarter. The third quarter finally ended and the final quarter started.

Ray Vinegar started off with a bang in the last quarter as he galloped for about 25 yards before tripping over one of his own men and a blocked Caveman. But the 'CATS were forced to punt. A time consuming drive and a punt gave the WILDCATS the ball on

their own 35.

A 10 yard pass to Tom Uzelac and another running spree by Vinegar for 18 yards put the ball on the 33 and set the stage for the final leg of the comeback which was a heart-stopping pass from Kevin Powers to Hugh MacDonald with 1:20 left in the game. The Riley side went wild, but a feeling of numbness fell over the Mishawaka cheering section.

It takes a GREAT team to pull out a victory like that!

Elkhart is Third Riley Foe

The Riley Wildcats will be out for blood this week just like every other week, but they also will be out for a little sweet revenge. Besides beating us last year, Elkhart also injured such stars as Dave Berger and John Parsons. However, John is back at full tilt now and also has some interceptions to his credit.

Elkhart's credentials are victories over LaPorte and St. Joe.

This game is a conference game, and Riley needs a victory to stay right up at the top. Let's give the team all the support we can tomorrow so we can go home happy knowing that we, the student body, helped the team to another victory.

Riley Junior Takes Jaycee

Fred Kroll won the JC area golf tournament held in August on the Erskine golf course. He scored 223 on 54 holes. Fred had an eagle on the 16th hole. Fred has been playing since he was 5 years old on the Studebaker or Erskine courses.

Frosh Drop Two Promise Rebound

The Riley Freshman Football team played its first game against Washington September 7. The final score was Washington 13, Riley 12. John McKinstry scored one touchdown for Riley, and Dennis Miller passed to John Acito for the other six points.

On September 14 Riley's Frosh met John Adams. In the first half, Riley had a hard time moving the ball because of penalties. With about a minute and a half left in the first half, Dennis Miller connected with Terry Clark for the game's first score. Riley failed on the attempt for the extra point.

In the fourth quarter a bad hike from the center gave the Eagles the ball on the 15-yard line. They went on from there to score the tying touchdown. Their attempt for the extra point was successful, and the game ended Adams 7, Riley 6.

Netters Down Bears

The Riley tennis team beat the Central Bears 7-2 September 20. Winning singles matches for the Wildcats was Don Lerman, Chuck Affeld, Jim Barkley and Tim Ryan.

Doubles match winners against Central were Jim Barkley and Don Lerman. The Wildcats traveled to Michigan City on Tuesday of this week. --By Dan White.
