Jan Crowned Football Queen

The Riley Football Court was presented to the spectators on Friday, October 27, in spite of rain and a very muddy football field. The crowd applauded as the girls and their escorts waded to the center of the field.

The highlight of the half-time ceremony was the crowning of Queen Jan Hildebrand. Jan was crowned by Mark Allen, student council vice-president. Bearing the crown and roses were Jeanne Coffey and James Ross.

The half-time activities climaxed the elections and the Riley-Washington Roundup, held Wednesday, October 25. During homeroom on Wednesday the court was presented to the Riley student body. The girls and their escorts are as follows: Jan Hildebrand and Bruce Beckman, Jan Horvath and Mike

Ballinger, Kathy Ellis and Tom Csenar, Marty Pozil and Bill Wilson, Barbara Aronson and Mark Wagner, Joan Casper and Mark Arsenault, Vickie Cary and Jay Varga, and Carol Troxel and Dale Kalwitz. The Washington Court was also presented, and the Washington Cheerleaders led the Riley students in some popular Riley cheers.

In the afternoon the Riley Court went to Washington with the Riley cheerleaders for the Washington pep assembly. The roundup was a big success, and both schools cheered loudly for their teams.

Friday night before the game, a car caravan led the Riley Wildcats to school field for the game. It was sponsored by the Student Council and Booster Club; all students were invited to join the caravan.

Officers of the DE Club at Riley this year are Mike Marosz, president; Vickie Cary, vice-president; Rita Derrick, secretary; and Larry Davey, treasurer.

DECA Week Observed

National DECA (Distributive

Education Clubs of America) Week is being observed November 5-11. Riley's chapter, has a job at Kroger's (Broadmoor Shopping Center). Mike follows an interesting schedule of woods, machine processing, English, government, sociology and DE. Mike said he would recommend the program for anyone.

Other officers of Riley's chapter are Vickie Cary, vice-president; Larry Davey, treasurer; and Rita Derricks, secretary. Other DECA chapters in South Bend are at Clay, Adams, and Washington High Schools. Altogether there are 58 chapters in Indiana, and 88,000 members of clubs throughout the country. DECA had its beginning in 1947. It is maintained entirely by student dues and the support of more than 70 of the nation's largest corporations.

Mr. Gene Miarik, teacher of the 7 a.m. class at Riley, prepares the students to analyze consumer demands and to satisfy the needs and wants of consumers. There are 20 students at Riley participating in DE this year. Each student receives one credit for class and one credit for the job on which he

Imaginary Invalid Presented Tonight

Moliere's The Imaginary Invalid will be presented tonight in the Riley auditorium. Tickets may be purchased from any member of the Drama Club or at the door.

The Imaginary Invalid is the story of a man who believes he is always sick. He decides to marry his daughter to his doctor's nephew, so he can receive free medical care.

Fourth SBMUNA Held at Riley

Riley will again be the scene of the Model United Nations Assembly to be held November 17 and 18. It will be under the auspices of the Riley Social Studies Department. Mr. Burton Brenneman, assisted by Mr. Doug Simpson are in charge of the Riley delegations. Dennis Gay has been chosen the president of the 1967 S.B.M.U.N.A.

Students from Adams, Jackson, Washington, LaSalle, Central, Clay and North Liberty also are participating in the assembly. The delegates from Riley are: from Algeria - Kurt Gilman, Dave Paskin and Lisa Stockberger; Burma - Maureen Carney, Mary Lou Johnston and Judi Stein; India - Karl Hoffman, Joe Thompson and Dick Stafford; Mauritani - Beth Bliler, Sue Boyce and Fran Reaves; Mexico - Dave Kosinski, Dennis Nicks and Bill Wilson; Nigeria - Albert Gammage, Hope Hammond and Don Lerman; Saudi Arabia - Jan Kalmar, Jan Johnson and Vicki McIntyre; Sudan - Judy Brown, Judy Earhart and Marilyn McGrane; Tanzania - Mark Campbell, Mitch Heppenheimer and Jim Lyons with Jan Hildebrand as an alternate.

The assembly has been held at Riley since its first year in 1964 when Mr. Simpson and Mr. Richard Thompson first thought of the idea of a Model U.N., patterned after the international agency, the United Nations. The Model U.N. gives the student an opportunity to take international problems and deal with them as delegates do in the United Nations. Each delegation becomes acquainted with their own country, and in negotiations can evaluate and understand the problems of other nations. Delegates are made aware of the difficulties facing the U.N. and through policy making the students learn the methods of power politics.

All of Riley's countries are in the neutral bloc, and the delegates hope to be able to work together effectively. Before the assembly begins, the countries will meet and plan strategy. Riley hopes to make an effective bloc by agreeing on issues and pushing for the desired goals.

The program of events for the U.N. will begin at 2:30 Friday, November 17 with registration. The first plenary session of the General Assembly will begin at 3:00 with introductions and the election of the committee chairmen and rapporteurs. From 5:20 to 6:30 committee meetings will be in session. There is a dinner from 6:30 - 7:30 for all delegates and sponsors. From 7:30 to 9:00 p.m. there will be bloc and committee meetings. Saturday morning at 8:30 a.m. the day will begin with a caucus. The second plenary session will meet and be followed by the reports of the committees. The last report will be over at 12:30 p.m.

BULLETIN: A Bell for Adano will be on NBC from 6:30 to 8 P.M. on November 11.

Frosh Top Penn in Final Game

The Riley freshman football team played its last game of the season. It was played at Penn, under the lights.

Riley lost the toss of the coin and had to kick off. After several unsuccessful plays, Penn was forced to punt. Riley's defense blocked the punt and the ball was placed on Penn's 30-yard line. On the second play, John McKinstry swept around the right end for a 36-yard touchdown run. The extra point attempt was good, giving Riley a 7-0 lead. The score did not change until the fourth quarter when Riley drove to the three yard line and Artice Jones scored.

The game ended with a score of 13-0. This gave the team a record of three wins and four losses. After the game, the team celebrated by throwing the managers and Mr. Thomas Connelly into the shower.

This week, November 5 to November 11, is National Education week. Of course you've heard of National Safety Week, National Be Kind to Animals Week, or National Jello Week, but just think, here's a whole week dedicated to education.

In keeping with the theme of American Education, Riley held an open house last Monday, November 6. It was sponsored by the PTA. Teachers of the various departments met with parents in the auditorium that night. Parents were able to talk with the teachers and become more familiar with the school system.

Jeanne Is Golden Girl

Jeanne Hodges, a junior, is Riley's Golden Girl this year. Jeanne has also won the 16 year old division of the Indiana State Baton Twirling Contest. She won both the regular baton twirling contest and the fire baton twirling contest. Jeanne has forty-five medals and eighty-one trophies for twirling.

Jeanne has been taking baton twirling lessons for five years from Mrs. Lorraine Gill. During the year she practices on an average of three hours a day. While she was at the National Baton Twirling Contest in Washington D.C., however, she practiced eight hours a day.

Sophomores with 17 points are Kris Wonisch, John Thompson, Jay Schneiders, Carol Maxwell, Steve Lakcsik, Donna Kruszewski, Bob Kizer, Sharon Kazmierzak, Marcia Huys, John Gunn, Claudia Gray, Cathy Goralski, Brent Gilliom, Jeff Clark, Linda Beatty, and Jim Barkley. Those with 16 points are Nancy Yahle, Phil Wray, Carol Stockdale, Sally Stefaniak, Glenda Sine, Kathy Sheline, Cheryl Schoner, Sharon Rojics, Dawn Peters, and Don Murrmann.

Bowling Leagues Begin

The Riley-Jackson bowling leagues started their first round of league competition, Oct. 7. The two Saturdays previous to this were used to bowl to determine an average for each bowler. Teams were then formed of near equal ability.

Two mixed leagues of twelve teams each are now bowling a schedule of Saturdays that will continue until the middle of March.

At present in the "A" league, the "Chosen Few" are leading the league with a 10-2 record. This team is made up of Fred Buck, Bob Turffer, Larry Bush, and Kristine Wonisch.

The "B" league leader is the "Bouncers" with a 12-0 record. Team members are Jim Chalk, Chuck Selisky, Debbie Vanett, and Gloria Geurick.

Ray Gordon with a 571 and Bob Turffer with a 223 are leading scorers in the "A" league, while the leading girl in the same league is Kathy Hutchings 487 and also 173.

The "B" league high scorer for girls is Alma Alford with 409 and Cynthia Dvorak with 181. The high boy in the "B" league is Paul Rerick 514 and also 217.

This year the leagues have many new members bowling and a great deal of enthusiasm is being generated. There are approximately fifty students involved from each of the two schools, Riley and Jackson. This makes for an intraschool relationship which is very desirable. Anyone wishing to take part in the bowling program may do so by coming to Chippewa Lanes at 9:00, on any Saturday morning.

Thank You, Larry
