

December Doings

December 15: Basketball: Washington vs. Riley at Washington, 8:00 p.m.
 December 16: Basketball: Penn vs. Riley at Penn, 8:00 p.m.
 December 16 to January 2: Christmas Vacation
 December 20: Sledding Party and Dance, Erskine Clubhouse, 6:30 p.m.
 December 27, 28, 30: Holiday Basketball Tourney at Jackson, LaSalle, and Washington
 January 5: Basketball: Fort Wayne Northside vs. Riley at Riley

Scholarship Fund Presented

The Lockheed Leadership Fund will award 15 four-year scholarships to competing high school students across the nation this year. Their purpose is to encourage young people to prepare themselves for engineering, scientific, and business careers in the aerospace industry.

The scholarships include full tuition and basic fees for a four year college program, plus \$500 a year for personal expenses starting the fall term, 1968.

Ten of the 15 scholarships are in engineering and science fields. The other five are in business-related fields. Successful applicants must enroll in a course leading to a degree in engineering, science, business administration, finance or other subjects applicable to the aerospace industry.

Applicants for scholarships must be eligible to start college work in the fall of 1968. Consideration is without regard to race, sex, color, creed, or national origin.

Applicants should write to the Director of Admissions of the schools they are interested in, requesting the Lockheed Leadership Fund Scholarship application form. They should not write to Lockheed. Applicants must write to the school of their choice for scholarship applications before December 31, 1967.

VOLUME XLI, NUMBER 8

J. W. RILEY HIGH SCHOOL, SOUTH BEND, INDIANA

DECEMBER 15, 1967

Latin Club is Busy

Busy is one word that can be used to describe this year's Latin Club. From the start members have been busy arranging and carrying out current activities and planning future ones.

Initiations of new members have taken up most of the club meetings so far. In the first initiation the new members were deified with nectar and ambrosia. The second initiation consisted of a slave auction. New members were given tags telling what type slave they were and then were sold to the highest bidder. New members taking part in the third initiation were students in an old Roman school.

One activity that the Latin Club is planning is the Saturnalia. This Roman celebration took place on December 14 and honored Saturn, the father of the gods. In ancient Rome it took place about the same time of the year that the Christians celebrated Christmas.

Some students who have spent time abroad have been asked to come and tell the club about their trips. Other activities being planned are for club members to sell popcorn at Riley's first basketball game and to go during Christmas vacation to a nursing home.

by Sue Swanson

Spanish Club Takes Trip

El Circulo de Espanol spent the day in Chicago Saturday, December 9. Club members boarded the busses at 8:00 a.m. at Riley for an exciting trip to Brookfield Zoo, Old Town, and the Museum of Science and Industry. Mr. Garry Smith, sponsor, accompanied the group.

Marty Pozil, Bill Wilson, and Sherry Lewis are Riley's representatives on the High School Recreation Board this year.

Come "Sled" at Erskine

What exciting plans do you have for December 20? Have you heard of the sled-dance party to be held at the Erskine Club House? There will be sledding from 6:30-8:30 p.m. and dancing from 8:30-11:30 p.m. with the "Traces of Time" providing entertainment.

This activity was planned by the high school recreation board.

Glee Club Officers Chosen

Officers for this year's Glee Club are as follows: Pam Morgan, president; Gary Murray, vice-president; Jan Hildebrand, secretary-treasurer; Luke Lovell, accompanist, and Jan Johnson, librarian. These officers were active in helping with the various concerts given by the club in the past two weeks.

Business Students Form Club

The Office Coeds is the name of the new club formed by the seniors participating in the Business Co-op Program.

Officers were elected at the club's first meeting and they are: Carolyn Prior, president; Karen Crawford, vice-president; Lana Blue, treasurer; and Vickie Vanderhagen, secretary. A discussion immediately began and committees were formed for the various activities. Some of the plans getting underway involve guest speakers, films, and fund-raising events.

Campus Life Club Formed at Riley

by Richard Williams

There is presently a Riley club that is not too well known or recognized: The Campus Life Club. This club meets from 3:30 to 4:00 every Tuesday after school in room 225. The club's members, students of this high school, strive to the end that Christian fellowship on our campus be perpetuated, Christian activities be promoted, and a strong Christian organization be established. To this end they have formed this year's Youth for Christ or "Campus Life" club at Riley.

The theme of this club is taken from Timothy 4:12 "Let no man despise thy youth but be thou an example of the Believer." All interested students may be considered members. Students are

Greetings from Round the World

As this year's Christmas season draws near, Riley can be proud that the school is represented in many countries of the world. Effie Zeimbeiki, this year's A.F.S. student, is from Greece, and has written of Riley to her friends at home. Roswitha Juffinger, last year's American Field Service Student from Austria, has written Mr. Howard Crouse a note of thanks for her year at Riley, and she wishes all of us a Merry Christmas and Happy New Year from Austria. Roswitha presently is studying the history of art and archeology at the university in Vienna.

Riley is very well represented in Australia by Margaret Foulke who is staying there on the A.F.S. program and will be returning on January 18, 1968. So from all over the world Riley has wishes for a very Merry Christmas.

Student Teachers Enjoy Riley

Mr. James Bresette is from Kansas City, Kansas, and the University of Notre Dame. He spends his time at Riley in Mrs. Frances MacMillan's room teaching English to freshmen. He likes Riley, but he has found South Bend to be a lot different from Kansas City. His present plans are to return to Kansas City and to teach for a while.

Mr. Dale Taylor, a senior at Bethel College, is student teaching in the music department under the direction of Mr. Lewis Habegger. He finds Riley to be a very friendly school in its attitudes toward visitors. In his opinion, the music department is very good, and the directors are among the best to be found. His future plans are to teach and later put on high school assemblies. Mr. Taylor said, "I feel quite a part of Riley."

Mr. Mark Levandoski is teaching United States History in Mr. Thomas Hess's classes. He is from Grand Rapids, Michigan. This is his fifth year at Notre Dame where he is majoring in history. He is now working for his Master's Degree. When asked what he plans to do after receiving his degree, he replied that he is going to Hollywood to get into the movies.

He thinks that Riley needs a lot of reorganization. He also feels that the student body is apathetic; he feels that the student body on the whole couldn't care less what happens to their future and to their education.

HONOR ROLL PREVIEW

Three hundred twenty students are named on the honor roll for the second six weeks grading period. The 10th grade has 101 students on the honor roll, the 11th grade has 77, 9th grade has 73, and the 12th grade has 69. All names will appear in the next issue of the HI-TIMES, January 12, 1968.

Regina Zar and Bob Horvath envelop Nick Bely in a mask of death.

Death Masks Come to Riley

Nick's plastered! -- literally. That white stuff on Nick Bely's face really is plaster. He is subject to a process known as making a death mask.

A death mask is a plaster cast made of a person's face. After the cast is removed, clay is poured into it to make a recognizable likeness. The cast is fashioned in this manner: The victim's face is given a thorough going-over with vaseline (to prevent plaster from sticking). Then a plaster and water

mixture is hand-mixed until the desired consistency is reached--like making mud pies. The victim is then given two tubes to put up his nose. This will allow him to breathe while the plaster is on his face. After the plaster cast hardens, it will be removed.

Death masks were made of famous personalities after they died. Hence the name of them.

Bob Horvath applies the plaster while Regina Zar holds Nick Bely's head cloth in place.

The Riley basketball team won its first game last Saturday by defeating Fort Wayne Snider. The 'Cats really looked sharp fighting for the ball, and their strategy paid off in the end. They were behind briefly in the first quarter but took the lead throughout the rest of the game.

The high scorer was again Gloston Jackson with 19 points. The real uplift to the team came from the 11 points added by Rick Slack, a starter for the first time. Also turning in an excellent job was Tom Uzelac with 14. If the team can keep playing this way and make up their mind to win, then they have an excellent chance of being the toughest team in the conference.

Speaking of conference games, Riley played Mishawaka last Friday, there, and will play Washington tonight. Other games coming up are: Clay-tomorrow night at home, the Holiday Tournament on the 27th and 28th, and the final game on the 30th. Let's back our team to a city championship and a fine season.

--Julius Keresztes

Bowlers Swing Along

The Riley - Jackson Bowling Leagues are in full swing again after a Thanksgiving recess. During the Christmas vacation there will be no regular league bowling on December 23 or 30; however, there will be a Scotch Doubles tourney in each league starting at 9:00 a.m. on December 18.

The competition in each league is quite intense with the tightest race in the "A" league. Seven teams are within four points of the leading team, "The Spurts." Rick Black and Lewis Mark are the backbone of this team with Larry Lies and Melody Combs doing their part in keeping the team in first place. At present the high average for a boy in the league is 163 for Rick Black. The high girl is Kathy Hutchings with 138. High Series is held by Ray Gordon and Kathy Hitchings with 571 and 487 respectively. High single game marks are 243 and 215 by Nick Medich and Barb Selesky.

The "B" league has the "Head Pins" on top by four points followed by six teams all bunched within five points of one another. The "Head Pins" are captained by Barb Daulton with teammates Brian T'Kindt, Bob Lerman and Dan Hassau. Bob has the high average on the team, 129.

The high average in the "B" league is Larry McLaughlin with 137 and Gloria Geurich with 123. High series belongs to Paul Rerrick, 514 and Gloria Geurich at 421. High individual game so far has been Paul Rerrick with 217 and Cynthia Dvorak with 181.

Many substitutes have been establishing an average for league play by being at Chippewa Lanes at 9:00 on Saturday morning. New boys and girls are being put on teams almost every week so if anyone is interested in bowling, get out of bed on Saturday morning and head for the lanes on Chippewa.

Riley Athletes Receive Awards

All of Riley's athletes, who did not receive a varsity award, were presented awards by the respective coaches for B-team and Frosh. These boys worked hard in order that they may, in the future, represent Riley High School in a varsity athletic contest.

The recipients are as follows: freshman football team: Rich Ames, John Acito, Mike Andrews, Frank Bely, Roger Beiebltshy, Vince Derdak, Rich Foster, Don Hall, Dan Heartup, Dave Hill, Artice James, Bill Jones, James King, Eric Larpon, Dennis Liberman, Frank Love, Mike Mantei, Bob McColluch, John McKinstry, Dennis Milter, Al Nagy, George Nemeth, Ron Noble, Len Parsons, Dan Pasalich, Dan Perkins, Ken Pland, Bill Prester, Frank Shaw, Craig Siders, Doug Simpson, Steve Spichalski, Scott Stevens, John Toth, Ted Turnock, Scott Tansey, Kevin Usech, Terry Williams, Scott Wilmaski, Dave Endrocy, (Mgr.), and Ken Reynolds (Mgr.). Coaches Andrew Mihail and Thomas Connelly made the pre-

sentations.

Riley B team: Kevin Mahoney, Warren Kennedy, John Basker, Randy Bibler, Bob Soos, Dale Leonhard, Bill Dutrieux, Paul Jones, Steve Kennedy, Scott Stuller, Willie Wills, Rich Uzelac, Paul Hicks, Kirk Rice, Jerry Amm, Clarence Burks, Tom Coffey, Joe Ford, Neil Gerschoffer, David Glaser, Richard Hannish, Richard Helfman, Lyall Jones, Jim Lerman, Jeff Miller, Rich Miller, Joe Papai, Jim Ruth, Greg Singleton, Fred Sulak, Wesley Taylor, John Thompson, Bruce Villwock, Mike Vuckovich, Rich Wilson, Phil Wray, and Stan Wruble. Coach Michael Mondovics gave the awards.

Tennis B team: Jeff Clark, Tom Morgan, Tim Ryan, and Dan White. Mr. William Echard gave the awards.

Cross Country B team: Rich Slack, Julius Keresztes, Bob Kizer, Phil Byers, Lance Darch, and Tom Freel. Mr. Burton Breneman gave the awards.

Mr. M., you really should tell Theresa about Freddy.

Who was it, Al, you tried to sell your house to 69 times last Sunday night? O.T.A.

Mr. Paul Edward Pezza is another of the student teachers from the University of Notre Dame who is at Riley now. His home is in Rhode Island. Mr. Pezza feels that the quality of the people in Riley's Science Department is great. Surfing is one of his main recreational interests, and he has been to Portugal for fun. Mr. Pezza will be teaching at Riley through the third week in January.

Sports Banquet Held

Athletes in fall sports (football, tennis and cross country) who earned their varsity letters were honored at a special banquet held December 5 in the cafeteria. At this banquet, sponsored by the Riley Adult Booster Club, awards were given to the most valuable player in each sport and the most improved player in each sport; a Booster Club award was also made to the most outstanding player in each sport.

In addition, the Kiwanis Award was given to the athlete having the highest scholastic record with athletic ability. This award went to Kevin Powers.

The recipients of the other awards are as follows:

Football: MVP, Kevin Powers and Hugh MacDonald; Most Improved, Ray Vinegar; and Booster Club, John Parsons. Tennis: MVP, Don Lerman; Most Improved, Jeff Clard; and Booster Club, Jim Barkley. Cross Country: MVP, Mark Arsenault; Most Improved, Charles Cutler; and Booster Club, Rich Gruelich.

Mr. Eugene Klesta is also a Notre Dame student who is teaching at Riley. He can be found in Miss Maureen Wolf's biology room. His hometown is Chicago, Illinois. He finds Riley to be a well organized school, and he likes it. It is not as strict as the all-boy Catholic high school he attended, but he says that is probably because Riley is a public school. His interests are swimming and teaching. Mr. Klesta considers it a big asset that so many student teachers are being allowed to work at Riley to complete their student teaching requirements.
